### 5th GRAND PRIX OF ITALY

<b>From</b>	The ATOM-F1 2020 Race Director	<b>Document</b>	86-2
<b>To</b>	46 - Edward Olaru (Ferrari)	<b>Date</b>	30/10/2020
		<b>Time</b>	10:50

The Race Director, having received a report from the Stewards, has considered the following matter and determine the following:

<b>N.o. / Driver(s)</b>	46 - Edward Olaru
<b>Competitor(s)</b>	Ferrari
<b>Session</b>	Race
<b>Fact</b>	During the race, the driver voluntarily quit the session following a rage moment, probably due to a minor event of collision caused by himself, and never tried to re-join.
<b>Offence</b>	Breach of article 7.2 of the ATOM Rules and Regulations
<b>Decision</b>	<b>Disqualification from the present Event (5 points imposed on Super Licence, total of 10 in the 12-month period)</b>
<b>Reason</b>	The Stewards reviewed the video evidence and noted that driver of Car 46, without any justifiable reason, left the session during the event. As the driver did not properly retire from the race, the fact stated above hindered several drivers due to the lack of pace of the automatic AI car lapping on the track.
