## 1st GRAND PRIX OF THE NETHERLANDS

<b>From</b>	The ATOM-F1 2020 Race Director	<b>Document</b>	89-3
<b>To</b>	48 - Riccardo Cinti (McLaren)	<b>Date</b>	20/11/2020
		<b>Time</b>	00:24

The Race Director, having received a report from the Stewards, has considered the following matter and determine the following:

<b>N.o. / Driver(s)</b>	48 - Riccardo Cinti
<b>Competitor(s)</b>	McLaren
<b>Session</b>	Race
<b>Fact</b>	During Lap 10 the Driver of Car 48 tried to overtake Car 14 at the apex of turn 8. As a contact was made, Car 48 spun, re-joining the track (in reverse) in a dangerous manner.
<b>Offence</b>	Breach of article 4.1.4 of ATOM Sporting Regulations
<b>Decision</b>	<b>Drive-Through Penalty (20 seconds added on final Race Time) (3 points imposed on Super Licence, total of 5 in the 12-month period)</b>
<b>Reason</b>	<p>The Stewards noted the incident and by reviewing multiple video-evidences judged that Driver of Car 48 was not paying the necessary attention during his re-joining of the track. The Stewards judged that the Driver may had not to engage that big portion of the track during the reversing manouver. The driver spun on his fault due to an excessive speed carried into the corner, following a contact with Car 14. As no contact was made while re-joining, the penalty is sensibly reduced.</p> <p>Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 9.6 of the R&amp;R and Article 1 of the Appendix A of the R&amp;R, within the applicable time limits.</p>
