From	The Stewards	Document	3
To	The Team, McLaren	Date	25 May 2021
		Time	16:20

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 46 - Edward Olaru

Competitor McLaren

Time -

Session Race

Fact The driver went off track at the second to last corner and re-joined the track in an unsafe manner while the car 90 (Allegra) was transiting the track.

Offence Breach of article 4.1.4 of ATOM Sporting Regulations (Art. 4.9.4.1.4 of ATOM R&R)

Decision **5-second Time Penalty**
2 penalty points imposed (total of 2 in the 12 month period).

Reason The Stewards, received a report from the Race Director, did examine the fact just after the end of the race.

During the lap 9, the driver of car 46 (Olaru) was re-entering the track after spinning to the left side of turn 19, but he misjudged the distance to the approaching car applying then too much throttle input. The upcoming driver did have to take a sensible avoiding action by backing off. For this reason the action of Olaru has been judged as not compliant to the regulations.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 9.6 of the ATOM R&R and Article 1 of the Appendix A of the ATOM R&R, within the applicable time limits.
