From	The Stewards	Document	1
To	The Team, Mercedes	Date	24 May 2021
		Time	23:35

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 9 - Dennis Salerno

Competitor Mercedes

Time -

Session Qualifying

Fact The driver allegedly stopped at the pit lane entry without a justifiable reason.

Offence Alleged breach of article 4.1.4 of ATOM Sporting Regulations (Art. 4.9.4.1.4 of ATOM R&R)

Decision **No further action.**

Reason The Stewards, received a report from the Race Director and having summoned the driver of Car 9 (Salerno), reviewed the video evidences and briefly examine the incident.

They concluded that the driver Salerno was stopping at the pit lane entry, while consequently engaging the reverse gear, because of the blocked track he had ahead. A Racing Point car blocked the pit lane entry leaving the drivers in the entrance nowhere to go. Car 46 (Olaru) got blocked by Salerno in the attempt of avoiding the stopped car ahead.

As nobody is judged predominantly at fault for the situation arisen, The Stewards judged that no driver should get the blame for this incident.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 9.6 of the ATOM R&R and Article 1 of the Appendix A of the ATOM R&R, within the applicable time limits.
