From	The Stewards	Document	5
To	The Team, Alpine	Date	27/09/2021

The Stewards, having received a report from the Race Director, after consulting with him, they have considered the following matter and determine the following:

No / Driver 19 - Brenno Guaraldi

Competitor Alpine

Time -

Session Race

Fact Driver of Car 19 caused a collision to Car 80 at Turn 2, Lap 1.

Offence Breach of article 17.11 of the ATOM F1 2021 Regulations.

Decision Drop of 3 grid positions in the driver's next race (3 points imposed on driver's Super Licence, total of 5 in the 12-month period)

Reason Driver of Car 19 significantly flanked Car 80 while having no room to go. At no time such track position shall be occupied, especially in the first lap, considering also that the gap was promptly closing.

The Stewards have judged that trying to overtake Car 80 with his line closing to the left was unlikely and unnecessary, furthermore this action caused a collision, and therefore Car 19, being not significantly flanked to the car ahead, shall be considered at fault for this incident.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with articles 32.8 and 32.9 of the ATOM F1 2021 Regulations, within 7 days.
