Hereby, the Race Director and the Clerk of the Course is reporting that driver of Car 60 (S. Pedercini) did not join the Qualifying Session due to a suspected problem to his hardware. The Driver eventually showed up about 5 minutes past the start of the session and requested to take part of the race. The Stewards judged that such behavior should be avoided anytime, however due to the fact that the game has got many issues, they consider to let the driver race for this time.

The driver will be required to start this Grand Prix from the back of the grid.

The Race Director preventively authorizes also the driver of Car 94 (Cinelli) to start the race, despite with a suspended Super Licence (no. 66 with 18 Penalty Points), due to the agreement dealt with the driver regarding the raising of an appeal.

The driver will be required to start this Grand Prix from the back of the grid.

Due to the fact that both drivers are required to start this Grand Prix from the back of the grid, The Race Director defines the Starting Grid under Article 31.5) of the Regulations as follows: (Car 60, Car 94).
