The Stewards, hearing from the Race Director, considered the following matter and determine the following:

**No / Driver** 29 - Francesco Clemente

**Competitor** Williams

**Session** Race

**Fact** The Driver was driving in an erratic manner and hindered multiple cars while being lapped. The Race Director exposed the black flag and the Driver ignored the order.

**Offence** Breach of Articles 8.1, 17.4, 17.5, 17.11, 17.14 and 22.2.4 of the ATOM Regulations

**Decision** The Driver is disqualified from the race results.  
The Driver's super licence is suspended for 1 event.  
The Driver will be required to start the next race from the back of the grid.

**Reason** The Driver was responsible for dangerous driving and was not able to listen to the radio messages given by Race Control. The Stewards did examine the recordings and two calls were made about the black flag given to the Driver: one at 22:45 and the other at 22:46.

As it is the Driver's responsibility to ensure that the software works properly, the Stewards are imposing the penalty stated above in accordance with Article 8.2 of the Regulations.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with articles 32.8 and 32.9 of the ATOM F1 2021 Regulations, within 7 days.
