The Stewards, hearing from the Race Director, considered the following matter and determine the following:

No / Driver 15 - Simone Gallo

Competitor Ferrari

Session Race

Fact The Driver failed to set the right Team.

Offence Breach of Article 3.8 of the ATOM Regulations.

Decision No further action.

Reason Considering that the driver is in charge of the lobby and, because of many problems, he had to restart it many times, he has been subjected to extra stress out of the Drivers' normal competences, failing to set the correct Team. For this reason, the Race Director will not issue penalties against him.
