Fact Dangerous Driving

Offence Breach of Article of the FIA International Sporting Code.

Decision Disqualification from the Event (6 points imposed on the Driving Super License, total of 6 points out of 12 in the 12 months period)

Reason The Stewards heard from the reports of some drivers and the live streaming feedback some dangerous situations from Car 12 (LOR).

As a result, the Race Director took a close look at the driving behavior of the driver and the logs of the Race Control system. By this means, Car 12 (LOR) represented an example of dangerous driving, showing a lack of situational awareness and fair play in different occasions.

In order to guarantee the safety of the other drivers, Car 12 has been disqualified from the Session.
