Reason Protest about Document 1 (Reprimand) of the Barcelona GP

The Race Directors consider that the protest is admissible.

The Appeal Court, having received complaints about the decision taken with Document 1 (Reprimand), has decided to examine the situation by carefully analyzing the facts.

The competitor showed us, with a short clip, that before joining the Server he has selected the right Racing Number assigned (82)

The problem was the Car 11 (MAT), which selected the wrong Racing Number (82) and forced Car 82 (PEZ) to use the next number automatically assigned by the server.

Considering Car 82 (PEZ) had selected the right Racing Number before joining the Server and he sent to the Organizers, before the championship started, the correct JSON file with inside the right Racing Number, while Car 11 (MAT) failed to select the right Racing Number forcing Car 82 (PEZ) to use the number 83, the Reprimand for Car 82 is canceled with immediate effect and will be assigned to Car 11 (MAT).
