Competitor To all drivers above

Time 21:17

Session Endurance Race

Fact Driver gained a track position before the start of the race

Offence Breach of Article 23.4) of the ATOM GT Series Sporting Code.

Decision Driver is disqualified from the Race (4 points imposed on the Driving Super License, total of 8 points out of 12 in the 12 months period)

Reason The Steward reviewed a situation which occurred during the starting of the race session between cars 14 (FRA) and 80 (BOT).

As the cars were preparing for the rolling start, car 14 overtook car 80 before the green flag was shown, even remaining under the speed limit of 70 kph imposed by the lobby. As the race started, car 14 maintained the position and continued the race without giving back the position illegally taken

The Stewards, considering the maneuver, the speed of the driver and their telemetries consider car 14 at fault and imposed the penalty. Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with articles 35.6 and 35.7 of the ATOM GT Series Regulations, within 7 days
