5th GRAND PRIX OF ITALY

From	The ATOM-F1 2020 Race Director	Document	86-1
To	68 - Luigi Di Iorio (Alfa Romeo)	Date	30/10/2020
		Time	10:31

The Race Director, having received a report from the Stewards, has considered the following matter and determine the following:

N.o. / Driver(s) 68 - Luigi Di Iorio

Competitor(s) Alfa Romeo

Session Race

Fact During this and all the previous races, driver of Car 68 showed a countless number of poor skill, lacks of caution and lack of attention needed to carry on racing. The delayed and inappropriate steering action during most of the corners made his driving extremely unpredictable and therefore disorientated the drivers who tried manouvers of overtake on him.

Offence Breach of articles 2.2, 3.2.3, 4.1.4 and 4.3.2 of ATOM Sporting Regulations
Violation mentioned at column 4 - row 1 of article 9.8 of ATOM Rules and Regulations

Decision **Disqualification from the present and the next Event (3 points imposed on Super Licence, total of 12 in the 12-month period)**

Reason The Stewards are imposing a 1-race ban due to the suspension of the Super Licence of the driver. The pace of the driver during the race is on the limit of acceptability and therefore the Clerk of The Course is giving the driver the chance to end the championship without excluding the driver.
