### 1st GRAND PRIX OF THE NETHERLANDS

<b>From</b>	The ATOM-F1 2020 Race Director	<b>Document</b>	89-7
<b>To</b>	21 - Philipp Herzog (Alpha Tauri)	<b>Date</b>	20/11/2020
		<b>Time</b>	20:13

The Race Director, having received a report from the Stewards, has considered the following matter and determine the following:

<b>N.o. / Driver(s)</b>	21 - Philipp Herzog
<b>Competitor(s)</b>	Alpha Tauri
<b>Session</b>	Qualifying
<b>Fact</b>	Driver of Car 48 was on the out lap of his qualifying while he made contact with Car 21, suffering a front wing damage.
<b>Offence</b>	Alleged breach of article 4.1.4 of ATOM Sporting Regulations
<b>Decision</b>	<b>No further action</b>
<b>Reason</b>	The Stewards noted the incident and judged that neither driver was at fault for the collision. The Car 21 was hit by the faster Car 48, but it is in an unpunishable position, because being rightfully slow, the Driver did not commit any violation of the rules.  Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 9.6 of the R&R and Article 1 of the Appendix A of the R&R, within the applicable time limits.
