

## GRAND PRIX OF THE NETHERLANDS 04 October 2021

<b>From</b>	The Stewards	<b>Document</b>	2
<b>To</b>	All Officials, All Teams	<b>Date</b>	04/10/2021
		<b>Time</b>	15:15

For the Sprint Qualifying session, the game will force the drivers to use the compound they used for Qualifying.

As for the 50% race, the choice of compound is up to the driver, regardless of the position on the grid.

The Stewards hereby remind that the rules of the parc fermé are still in force, so the same setup of the car must be used for all the sessions (Qualifying, Sprint Qualifying and Race) from the moment you leave for Q1. We therefore advise all drivers to save it, in order to then reload it once on the grid for the Grand Prix.

It will not be allowed to enter the session late, as there will be no free practice. So we kindly ask you to be punctual at 20.20 in the Paddock (Discord Voice Channel) in order to be able to start at 20.30.

All drivers whose won't be present at 20.30 (or anyway before the start of Qualifying) will be excluded from the Event.
