

AUSTRIAN GRAND PRIX
11 October 2021

From	The Stewards	Document	8
To	The Team, Ferrari	Date	12/10/2021
		Time	12:59

The Stewards, having received a report from the Race Director, after consulting with him, they have considered the following matter and determine the following:

No / Driver	91 - Mattia Santoro
Competitor	Ferrari
Time	22:10
Session	Race
Fact	Driver started the Race with the C4 compound (Mediums) tyre while qualifying with the C5 compound (Soft) tyre.
Offence	Breach of article 13.5.1 of the ATOM F1 2021 Regulations.
Decision	Warning (4 points imposed on driver's Super Licence, total of 4 in the 12-month period)
Reason	The driver selected the incorrect tyre set for the start of the Grand Prix. This is a violation of the Parc Ferme, which counts not only for the car's wings setup and the fixed components, but also for the tyres.

The Stewards however agree that because the Race lobby was restarted more than twice, such mistake should be considered "human", and anyway due to also the fact that the race was suspended, the effective advantage gained with such strategy was canceled out.

The Stewards therefore judged that the violation shall be considered in a (much) softer manner for such a situation.

Competitors are reminded that they have the right to appeal certain decisions

of the Stewards, in accordance with articles 32.8 and 32.9 of the ATOM F1 2021 Regulations, within 7 days. Penalties given in the race are not subject to appeal (Article 32.10, issue 3 of the Code).
