

**GRAND PRIX OF ITALY**  
**15 November 2021**

<b>From</b>	The Stewards	<b>Document</b>	10
<b>To</b>	Driver(s) mentioned below	<b>Date</b>	16/11/2021
		<b>Time</b>	15:06

The Stewards, having received a report from the Race Director, after consulting with him, they have considered the following matter and determine the following:

<b>No / Driver</b>	88 - Pierluigi Trani
<b>Competitor</b>	Williams
<b>Time</b>	22:18
<b>Session</b>	Race
<b>Fact</b>	The driver of Car 88 lost control of his car and left the track on the left side of Turn 5. While re-joining, Car 91 was approaching and a crash occurred.
<b>Offence</b>	Breach of Article 17.11 of the ATOM F1 2021 Regulations
<b>Decision</b>	Warning (2 points imposed on Driver's Super Licence, total of 2 in the 12-month period)
<b>Reason</b>	The Stewards noted that Car 88 did not pay the necessary attention towards the upcoming Car 91.

It is unquestionable that a Car may re-join the track in a safe manner only, but due to the fact that Car 91 did not change his line in time, The Stewards however consider to impose a minor penalty to the driver of Car 88.

The Stewards judged that there was a possibility to avoid the collision and so rather to impose a super licence penalty only, instead of a time penalty in the race.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with articles 32.8 and 32.9 of the ATOM F1 2021 Regulations, within 7 days. Penalties given in the race are not subject to appeal (Article 32.10, issue 3 of the Code).
