The Stewards, hearing from the Race Director, considered the following matter and determine the following:

**No / Driver** 74 - Raoul Baldan

**Competitor** Haas

**Session** Free Practice, Qualifying

**Fact** During the session, the Driver left the track by cutting Turn 11 at full speed, regardless of any other driver, in order to save time for other laps.

**Offence** Breach of Article 17.2 of the ATOM Regulations

**Decision** A reprimand is issued to the driver.

**Reason** The Stewards heard from the driver at 21:30 on 10/05. The Driver stated that he has done it in order to speed up its pace to the pit lane, to be able to do more laps. The driver stated that he was not aware of any rule limiting this behavior in practice sessions.

The video evidences exposed the unsporting behavior of the driver. Drivers must not leave the track at any time with no reason.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with articles 32.8 and 32.9 of the ATOM F1 2021 Regulations, within 7 days.
